

7/12/40.

Dear Mrs. Wanley:

I'll check with Mr Harris on the 7.50. He is overdrawn now on his next check.

The August 6th benefit at 1.50 per is O.K. Also the extra sales on the Urban League, Aug. 4th.

Mike sent the posters to the Eastern Shore. I am assuming expenses will run about the same at the other packs.

Be sure to have your husband tell Sparrow to call in the papers on Sunday. I sent him Sparrow a letter about it, but am not sure he was in N.Y. to receive it. Call is to be made to Phila. - Lombard 6000 - then ask for Jack Miller in the Sports Dept. He is a newspaper man who will handle it, as I will be out of town. Sincerely,
Ed. Bittel
